Robert W. Wise...master | A. Fischer......clerk Will leave SATURDAY, Nov. 4th, at 5 p.m.

Has been widely used during the last twenty-five years, in the treatment of these distressing diseases, and with such unvarying success that it has gained the reputation of being infailible. The shakes or chills, once broken by it, do not return dutil the disease is contracted again. This has made it an accepted remedy, and trusted specific for the Fever and Ague of the West, and the Chills and Fever of the Bouth.

Ayer's Agae Cure eradidates the noxious poison from the system, and leaves the patient as well as before the attack. It thoroughly expels the disease, so that no Liver Complaints, Rheumatism, Neuraigia, Dysentery or Beblitty follow the cure. Indeed, where Disorders of the Liver and Bowels have occurred from Miasmatic Poison, it removes the cause of them and they disappear. Not only is it an effectual cure, but, if taken occasionally by patients exposed to malaria, it will expelse in the poison and profect them from attack. Travelers and temporary residents in Fever and Ague localities are thus enabled to defy the disease. The General Debility which is so apt to ensue from continued exposure to Malaria and Miasm, has no specifier remedy.

For Liver Complaints, it is an excellent remedy. Sup't Mississippi River Elevator Company
